## **Welcome Letter for students admitted to KTH Master's Programme: Machine Learning**

Dear Student,

On behalf of KTH Royal Institute of Technology, Stockholm, we are pleased to welcome you to the Master's programme **Machine Learning** starting in August 2019.

### **Duration of the programme:**

Two years of full-time studies and a total of 120 credits which entail three terms of course work and one term devoted to a degree project. Upon completion of the programme you will be awarded the Swedish degree: Teknologie masterexamen. Translated into English as: Degree of Master of Science (120 credits).

### **Mandatory School Introduction:**

22, August, 2019 – School of Electrical Engineering and Computer Science – EECS  
Room F1, Lindstedtsvägen 22, 2<sup>nd</sup> floor.

During the month of June you will receive an email with the exact time and program of the day.

Please bring a valid photo id/passport

This meeting will provide you with important information about your School and other study related information. You will also get your KTH Access card and be introduced to the School premises and to several School representatives, including your Student Union Chapter/THS Sektion.

Your contact person at the School of Electrical Engineering and Computer Science is Ms. Sofia Norlander

Academic year 2019/20 will start on the 26<sup>th</sup> of August 2019

Last day of registration is 15<sup>th</sup> September 2019

### **Conditionally Accepted?**

If you have received a conditional acceptance, you must scan and upload your final transcripts and diploma to your account on University Admissions by 31, December, 2019. Upload your documents following the same instructions as when you made your application. If you cannot upload your documents by this date, you will need contact the Admissions Office, [info@kth.se](mailto:info@kth.se) for further information.

Please note that it is your responsibility to ensure that you have submitted your final bachelor's degree documents before you apply to graduate from KTH.

### **Arrival Days and Introduction programme**

Arrival Days are organized to facilitate a smooth arrival and a better access to the information you need for a good start and to settle in comfortably at KTH. We strongly encourage you to schedule your arrival to one of the appointed **Arrival Days; 1 August or 17-18 August**, in order to benefit from the additional services offered and to be ready to attend the Mandatory School Introduction (see p.1).

#### Arrival Day services at Arlanda Airport

Student guides are welcoming you and a free shuttle bus service runs every hour (09.00-21.00) from Arlanda Airport to KTH Campus.

#### Arrival Day services on campus

The Arrival Day site located in KTH Entré will be open 10-22. Here you can:

- Store your luggage at the free luggage service.
- Sign your housing contract and pick up your keys (if you have accommodation provided by KTH).
- Get your personal KTH-account. This allows you to connect to the Wi-Fi network and to get started with the other IT-services. N.B. Please bring your passport.
- Meet with the Arrival Day Crew.
- Chill out and mingle with new friends; the Student Union will be hosting a garden BBQ for all new international students.

When preparing your KTH Experience make sure to read the newsletters sent out by email and to visit [www.kth.se/newatkth](http://www.kth.se/newatkth) regularly to get updated information regarding Arrival and Introduction.

We look forward to seeing you in August.

Kind regards,

KTH Royal Institute of Technology

Sofia Norlander
